**REQUEST FOR CERTIFICATE OF CORRECTION OF
PATENT (37 CFR 1.322(a)) AND REQUEST FOR CERTIFICATE OF CORRECTION OF
PATENT FOR APPLICANT'S MISTAKE (37 CFR 1.323)**

Dear Sir:

Patentees hereby respectfully request that a Certificate of Correction issue to correct the following editorial and/or typographical errors in the patent, as more fully described below.

Please make the following corrections:

At column 11, line 36, immediately after the word "information" please insert the reference "(305)".

This revised text can be found in the original application at page 19, paragraph 45, line 19.

At column 23, line 31, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 2. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 38, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 3. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 40, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 3. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 47, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 4. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 49, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 4. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 50, please replace the word "said", immediately preceding the phrase "extensible mapping language" with the word "an".

The limitation "extensible mapping language" was inadvertently preceded with the article "said" instead of the correct article "an". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "extensible mapping language" in claim 4. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 23, line 59, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 5. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 24, line 4, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 6. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

At column 24, line 15, please replace the word "a", immediately preceding the phrase "set of mapping instructions" with the word "said".

The limitation "set of mapping instructions" was inadvertently preceded with the article "a" instead of the correct article "said". This mistake occurred in good faith and is being corrected to clarify antecedent basis for the limitation of "set of mapping instructions" in claim 7. Correction of this mistake does not involve such changes in the patent as would constitute new matter or would require re-examination.

Attached hereto is a Form PTO/SB/44 (1050) in duplicate for printing.

Please send the Certificate of Correction to the undersigned attorney at the address provided below.
